

# RF-230 P60

## POLYCRYSTALLINE SOLAR MODULES

RF-220P60 / RF-225P60 / RF-230P60 / RF-235P60 / RF-240P60 / RF-245P60 / RF-250P60

### Performance:

High efficient solar cells with **high transmission** deliver excellent module performance, **minimizing installation costs** and **maximizing the kWh output** of your system per unit area.

0 to  $\pm 3\%$  tolerances ensures to provide customers with maximum power output.

Entire module certificated to **withstand high wind loads** and snow loads (**5400Pa**).

Excellent performance under **low light** environments.

### Warranty:

10 years materials and workmanship warranty.  
25 years performance guarantees  
(90% up to 12 years, 80% up to 25 years).

### Qualifications And Certificates:

ISO 9001:2008  
(Quality Management System) certified factory.  
IEC61215、IEC 61730 certified products.
